

Dear

When the Parish Council collated the responses to the Questionnaire that was circulated to all households in the Parish recently, quite a number of people gave us their contact details, as wishing to have further information on the plan. The Council is at the stage of setting up a Steering Group which will co-ordinate and undertake the work that needs to be done in drawing up a Lanteglos Neighbourhood Plan. It is important that this will include interested people from across the Community as well as Councillors and we wonder whether you would consider joining this group. We expect that the group will meet monthly over the next year or so and will oversee developments as we gather evidence for the plan and then produce the policies that go into it.

Without a completed plan in Lanteglos-by-Fowey we would lose the opportunity to say where and how any new building development in the Neighbourhood occurs, leaving decision-making in the hands of developers and the planning authorities. To make sure this doesn't happen we need an enthusiastic response from residents so that all those aspects we value most about living in Lanteglos-by-Fowey can be written into the text of the Plan and safeguarded for future generations. Please let me know whether you would be interested in joining the group. There will be an initial meeting when we can provide more information and what is involved.

We quite understand that you may wish to be involved to this degree but would wish to keep you informed of developments.

I look forward to hearing from you.

Yours sincerely,

Pat Moore, Cllr Dr  
For Lanteglos-by-Fowey Parish Council
