

**Lanteglos-by-Fowey  
Local Landscape Character Assessment**

**What should be added?**

**Any comments, please?**

**Please have a look at the Exhibition of words and images of Lanteglos-by-Fowey**

**Then have a look at the questions about special places in the Parish**

**Are there any you would particularly like to comment on?**

**If so, you could mark this/these on the map with a sticky dot and then record on a post-it where it is**

**Or you could write comments on the question sheet itself and post that in the post-box.**

**The postcard question is of a different kind and if you wish to respond to this one please use one of the postcards provided and post that in the box**

**We are grateful for your responses as these will help us to draw up a Neighbourhood Plan that reflects Residents ideas and opinions**
