

Copy of email/letter sent to all statutory consultees

Dear

Lanteglos-by-Fowey NDP Final Pre-Submission Consultation

Our Steering Group is now formally contacting all stakeholders, local organisations and local councils to ask for comments during our Pre-submission consultation. We started this informally at the beginning of August in the Parish through exhibitions, displays and other consultation events, and our website. The finishing date will be 19th October to allow time for all consultation bodies as set out in paragraph 1 of Schedule 1 of the Neighbourhood Planning Regulations 2012 whose interests may be affected by our proposals to ask for comments. Please find a copy of the draft NDP attached.

We look forward to hearing from you,

Regards,

Pat Moore
