

Housing

Under Cornwall's Local Plan there is no housing allocation for Lanteglos-by-Fowey

We know from the results of a Housing Needs Survey undertaken in 2016 that 37 individuals said they were in housing need in the parish. In September 2018 Homechoice had 27 individuals registered. This was shown as 17 in January 2019. We need to plan for at least this number.

- ❖ Where should they be built?**
- ❖ How big should developments be?**

❖ **What sort of houses do we need?**
